FROM SPREADING AND
SAVE MANY LIVES.

Health Screening Card
Influenza A [H1N1]

Ministry of Health and Family Welfare
Government of India

If you have travelled from a country that has been affected by the H1N1 flu and show symptoms like **FEVER, COUGH, RUNNING NOSE AND DIFFICULTY IN BREATHING**, call our Outbreak Monitoring Cell, National Institute of Communicable Diseases on the above mentioned number.

Practice these habits to prevent the spread of Influenza A [H1N1]:

COVER YOUR MOUTH WITH A HANKIE OR CLOTH WHILE COUGHING AND SNEEZING

WASH YOUR HANDS WITH SOAP FREQUENTLY BEFORE AND AFTER TOUCHING YOUR NOSE, EYES OR MOUTH

STAY AWAY FROM PUBLIC PLACES IF YOU HAVE FEVER OR YOU ARE COUGHING AND SNEEZING

COVER YOUR FACE WITH A CLOTH OR MASK AND VISIT A DOCTOR IF YOU HAVE ANY OF THESE SYMPTOMS:

- FEVER • COUGH • SORE THROAT
- RUNNING NOSE • DIFFICULTY IN BREATHING

PART B

IMPORTANT INFORMATION TO PASSENGERS:

- Government of India would be conducting entry screening for all passengers travelling to India from countries* reporting human cases of Influenza A [H1N1].
- If you are travelling from/transiting a country* reporting human cases of Influenza A [H1N1] and develop fever with cough at the time of embarkation, consider cancellation of the trip.
- If you develop fever and cough during a flight, inform the cabin attendant immediately.
 - The cabin staff would provide you with a mask. Please ensure that it is worn properly and covers your mouth and nose.
 - Airhostesses would also provide masks to all those passengers sitting in the same row, three rows in front and three rows behind.
 - At the time of disembarkation, before immigration check, a doctor would attend on you. Please answer his/her questions.
 - You may be detained at the airport quarantine for observation or admitted to a specified hospital for medical care.
 - You would be released from health quarantine after the laboratory tests are found negative. In case the reports confirm Influenza A [H1N1], you will be treated with WHO recommended drug.

Turn over for easy ways to
protect yourself and your family
from Influenza A [H1N1].
